

To: Whom It May Concern
From: John Berdner - General Manager, North America
Regarding: CSA / ETL Compliance of SolarEdge Products

SolarEdge's products are approved for use in both the US and Canada. All SolarEdge's products have been evaluated by Intertek / ETL to the appropriate Standards, i. e. UL 1741, UL 508, and CSA 22.2. Intertek /ETL is a Nationally Recognized Testing Laboratory (NRTL) which is approved by OSHA to conduct product evaluations. The Listing Mark, shown at right, is the primary reference in determining the validity of the product Listing. Products bearing Listing Mark have been evaluated and are Listed for use in Canada and in the US. Continuing compliance with relevant standards is assured through ongoing factory inspections which occur on a quarterly basis.

A secondary reference can be found online in the Intertek product certifications directory at:

[http://etlwhidirectory.etlsemko.com/WebClients/ITS/DLP/products.nsf/\\$\\$Search?OpenForm](http://etlwhidirectory.etlsemko.com/WebClients/ITS/DLP/products.nsf/$$Search?OpenForm)

Simply enter the name SolarEdge in the search box and click on the Search box. The online directory is a secondary reference because it is only updated periodically and therefore may occasionally be slightly out of date. Examples from the Intertek online directory for the SolarEdge products are shown below:

<- Back	Product Description
Title:	GENERAL USE POWER SUPPLIES
Company:	SOLAR EDGE TECHNOLOGIES LTD. - Hod Hasharon, ISRAEL
Product Information:	Power Harvesting Inverter with MPPT Function, Model Nos. SE followed by 3300, 4000, 5000, 6000.

Title:	GENERAL USE POWER SUPPLIES
Company:	SOLAR EDGE TECHNOLOGIES LTD. - Hod Hasharon, ISRAEL
Product Information:	PowerBox, Model Nos. PB250-AOB, PB350-AOB, PB250-CSI, PB350-CSI, PBxxx-AOB, PBxxx-CSI; where x = 0 to 9, not to exceed 350.
Evaluated to the following:	(CAN/CSA-C22.2 No. 107.1) AND ARE IDENTIFIED WITH THE cETL RECOGNIZED COMPONENT MARK
Title:	INDUSTRIAL CONTROL EQUIPMENT
Company:	SOLAR EDGE TECHNOLOGIES LTD. - Hod Hasharon, ISRAEL
Product Information:	Disconnect Switch, Model No. DCD-1PH-US.
Evaluated to the following:	(CAN/CSA-C22.2 No. 14) AND ARE IDENTIFIED WITH THE cETL RECOGNIZED COMPONENT MARK.

The Listing Mark program has been established to allow the Authority Having Jurisdiction (AHJ) to easily determine the suitability of products for installation. NRTL's do not provide letters to AHJ's or others to verifying product Listing. The sheer volume of products and the number of interested parties makes this unfeasible.

Sincerely,

A handwritten signature in blue ink that reads 'John Berdner'.

John Berdner
General Manager, North America
SolarEdge Incorporated.
